YOUR SPONSORSHIP SUPPORTS FAMILIES FACING HUNGER

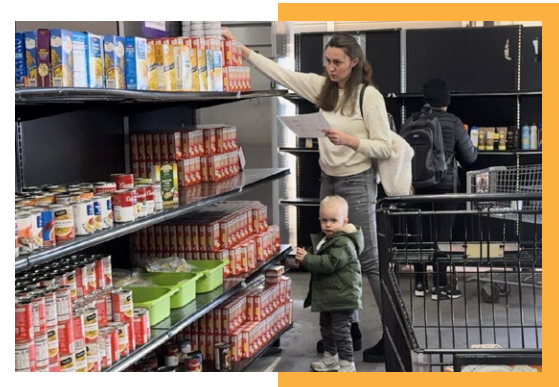

Tens of thousands of families rely on Sunshine Division for immediate food assistance, and two-thirds of the people we serve are households with children.

Sunshine Division has been alleviating hunger for families across the Portland metro area for over 102 years. The demand for our services has grown exponentially in the past decade, and we work hard to maximize our resources to meet the growing need.

Over the past five years, we've expanded our programs to better support families facing hunger. Our food pantry is open five days a week, and we home-deliver nearly 2,000 food boxes each month to households unable to visit in person. We also distribute thousands more boxes through annual distribution events and trusted partner organizations.

Each year, Sunshine Division distributes over 3 million pounds of food to those who need it most.

Your sponsorship plays a vital role in our ability to continue our mission of serving our community.
