SHINE In Every Act

SHINE In Every Act reflects the heart of Sunshine Division's work. It represents the belief that dignity, compassion, and consistency matter just as much as food itself.

For more than 100 years, Sunshine Division has shown up for neighbors facing hunger by providing immediate food assistance when it's needed most. Today, that mission reaches further than ever, reaching tens of thousands of households each year across the Portland metro area to ensure families, seniors, and individuals have reliable access to nutritious food.

Our impact is built one act at a time: a volunteer packing food boxes, a local business hosting a food drive, or a supporter stepping up to ensure a family leaves our pantry with enough food for the week. These moments may feel small on their own, but together, they create lasting change.

Now, as Sunshine Division enters a new era with the opening of our new headquarters, SHINE In Every Act reminds us that progress isn't defined by a single bold moment. It's defined by the collective power of everyday generosity.

Through partnership and sponsorship, that generosity becomes hope in action.

In-Kind Sponsorship & Donations

In-kind donations play a major role in Sunshine Division's daily operations. We are grateful for the many resources our supporters continue to offer, helping ensure equitable access to food for our neighbors. In-kind donations allow us to access goods and services that would otherwise be unaffordable, or free up resources that can be directed toward direct client programs and support.

What are in-kind donations?

An in-kind donation is a non-cash gift made to a nonprofit organization, including goods, services, time, and expertise. Individuals, corporations, and businesses can all make in-kind donations.
