2026 Sponsor Playbook

14TH ANNUAL SUNSHINE CLASSIC

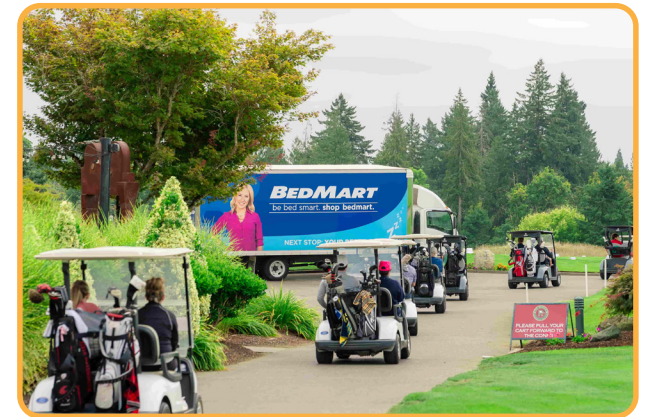

THURSDAY, SEPTEMBER 10TH, 2026

Join us for the 14th Annual Sunshine Classic Golf Tournament on Thursday, September 10th, 2026 at The Reserve Vineyards & Golf Club in Aloha, Oregon!

Tee off in support of Sunshine Division's mission to provide immediate food assistance to neighbors across the Portland metro area.

For more than 100 years, Sunshine Division has helped ensure families, seniors, and individuals facing food insecurity have access to nutritious food with dignity and care.

Enjoy an 18-hole scramble alongside colleagues, clients, and friends while taking part in exciting on-course contests, raffle and auction opportunities, and plenty of chances to win prizes.

With delicious food, refreshing drinks, and a shared commitment to our community, the Sunshine Classic is a day of connection, friendly competition, and meaningful impact.

Every swing, sponsorship, and donation helps ensure our neighbors have access to the food they need when they need it most.

SHARED GOALS. STRONGER COMMUNITIES.

When we align our values, we create stronger communities together and deepen the impact of your investment. This partnership demonstrates your commitment to supporting neighbors in need while advancing shared community priorities.

Food Security

Sunshine Division's mission is to provide immediate food relief to Portland metro families and individuals in need, because when basic needs are met, people have the opportunity to stabilize, grow, and thrive.

Housing Stability

Many households are forced to choose between food and housing. By ensuring access to nutritious food, our programs help reduce that burden and create greater stability for those working to remain housed.

Environmental Sustainability

Through food redistribution, our programs reduce waste and maximize resources, allowing your support to contribute to a more sustainable and responsible community.

Economic Inclusion

Food insecurity can affect anyone. Our services help ensure neighbors from all walks of life have equitable access to nutritious food, strengthening the foundation for a healthier, more stable future.

SUNSHINE DIVISION'S CORE PROGRAMS

Free Food Markets

Sunshine Division's Free Food Markets offer a variety of delicious, nutrient-rich food options. Our Free Food Markets provide a shopping style experience for clients to select their own groceries.

Izzy's Kids "Shop With A Cop"

Approximately 500 low-income students each year are paired with first responders to shop for new clothing to help give kids the comfort and confidence they need in school.

Home Delivery Program

Sunshine Division serves more than 500 households each week through our home delivery program. In its 6th year, this program ensures our clients can access food even if they're unable to visit our Free Food Markets in person.

Holiday Meal Distribution

We provide hearty meal boxes filled with nutrient rich foods during our annual Thanksgiving, Holiday, and MLK Jr. Day food distribution events. These distribution events serve over 10,000 families each year.

Partnering with First Responders

Thanks to our partnership with the Portland Police Bureau, Sunshine Division is able to provide emergency food assistance 24 hours a day, seven days a week. Food boxes are stocked in every Portland police precinct, ensuring help is available whenever it is needed.

Community Partnerships

We work with nearly 150 social service agencies, schools, and other nonprofits to expand our impact and reach families in need of food assistance across the Portland metro area.
