2024–25 ANNUAL REPORT

FOOD.
COMMUNITY.
HOPE.

A YEAR IN REVIEW

Throughout the 2024–25 fiscal year, Sunshine Division remained a place our neighbors could turn when food was out of reach.

Together, we provided immediate food relief to more than **100,000 people** across the Portland metro area through our food assistance programs, distribution events, and community partnerships.

None of this work happens alone. Thousands of hours were given by volunteers. Donors and community partners provided the resources that kept food moving to families who needed it. And together, you helped prepare Sunshine Division for one of the most significant chapters in our history.

As we look back on the year, we are grateful for a community that continues to show up for its neighbors. Your generosity makes immediate food relief possible today — and strengthens our ability to serve Portland for years to come.

With gratitude,

Kyle Camberg
Executive Director
Sunshine Division

OUR MISSION

Sunshine Division provides free, immediate food relief to families & individuals in need across the Portland metro area.

FY24–25

IMPACT IN FY2024-25

100,000+ NEIGHBORS SERVED

From July 1, 2024 through June 30, 2025, more than 100,000 neighbors received free food through Sunshine Division's programs, distribution events and community partnerships.

18,000+ FOOD BOXES HOME DELIVERED

Our Home Delivery Program brought more than 18,000 food boxes directly to households facing barriers to accessing food assistance in person.

MORE HOLIDAY MEALS

Sunshine Division introduced Thanksgiving Meal Delivery, providing an additional 2,000 holiday food boxes to neighbors across the Portland metro area. Together, our Thanksgiving and Holiday meal distributions provided food to more than 9,000 neighbors in November and December.

20,500 VOLUNTEER HOURS

Volunteers contributed nearly 20,500 hours across our food assistance programs, events and operations — an estimated \$747,000 in donated time based on a value of \$36.44 per volunteer hour.

PREPARING FOR THE FUTURE

FY2024–25 marked our final full year in the 96-year-old North Thompson Street warehouse and in the temporary Wilsonville warehouse generously provided by Safeway Albertsons since the COVID-19 pandemic. With the support of our community, we prepared to begin a new chapter in a permanent home.

A NEW HOME FOR HUNGER RELIEF

Years of community support made Sunshine Division's next chapter possible.

After the close of FY2024–25, Sunshine Division moved forward with one of the most significant investments in our history: **a permanent headquarters designed to meet the growing need for food assistance.**

In 2025, we acquired our new home on NW Front Avenue. The facility brings our warehouse, food assistance programs, and volunteer operations together under one roof.

NEW HEADQUARTERS INCLUDES:

20,000+ SQ. FT.
of warehouse space

140% MORE STORAGE
than our temporary warehouse in Wilsonville

NEARLY 3× MORE CAPACITY
for fresh & frozen food than our N. Thompson St. facility

With more room to receive, store and distribute food, and a new shopping-style Free Food Market that gives guests greater choice, our new headquarters expands what Sunshine Division can provide today while building capacity for the future.

A COMMUNITY STORY

As a single mother of four, Justina knows how quickly a family's grocery needs can add up.

In 2025, she turned to Sunshine Division's SE Stark Free Food Market for a little extra help keeping food on the table. There, she filled her cart with groceries for her family and connected with additional resources. She also found the process easier than she expected, from scheduling an appointment to choosing the food her family needed.

"They had a lot of food and resources... it's a huge help. I got everything to last for about two weeks." - Justina

For Justina, that visit meant roughly two weeks of groceries. It also meant more room in her budget for bills and other necessities for her family.

Her experience is one of thousands made possible by Sunshine Division supporters. When a neighbor needs help, your support ensures food can be there.

As we look ahead, we're grateful to have you alongside us. Together, we'll continue making sure families and individuals across our community have somewhere to turn when they need food.

FOOD. COMMUNITY. HOPE.
